Dear 50+,

I'm a fifty-two year old divorcee who has started dating again a couple years after splitting with my ex. If I remarry, I hope not to make some of the same mistakes that I made with him. So I'm being picky about who I go out with. The older you get, the smaller the dating pool of men your age, so I'm looking to younger men right now. Most probably none of these dates will lead to marriage, and that's good. I just want to fool around and get my feet wet. So I'm going to be a little more liberal with my body, I decided.

And one of those things is to give anal sex a try. I have steadfastly refused all knocks at my back door, but have been amazed at the number of requests for it. Well, I finally decided to break my anal cherry with Logan, a handsome 38 year-old paramedic. We met when he came to my neighbor's house on an emergency call. I helped as I could and he called a week later to tell me how

Dear 50+ editor,

Who ever said a woman's best years are in her twenties should be shot. Just look at Milan on the cover of 50+. But that's only the beginning. Her photos inside are super hot. Sure the outfit is a little showy, maybe even tacky, but it just underlies her vibrant sexuality. She looks like she could get fucked for hours and give it all right back at you for hours more.

Through my sexual experiences, I have come to find that the older a woman gets, the more apt she is to do anal sex. They just seem much more willing and comfortable doing it. And it usually happens pretty soon after having sex with them for the first time. Anyway, guys if you have a chance to have sex with an older lady, it may be the best you've ever had.

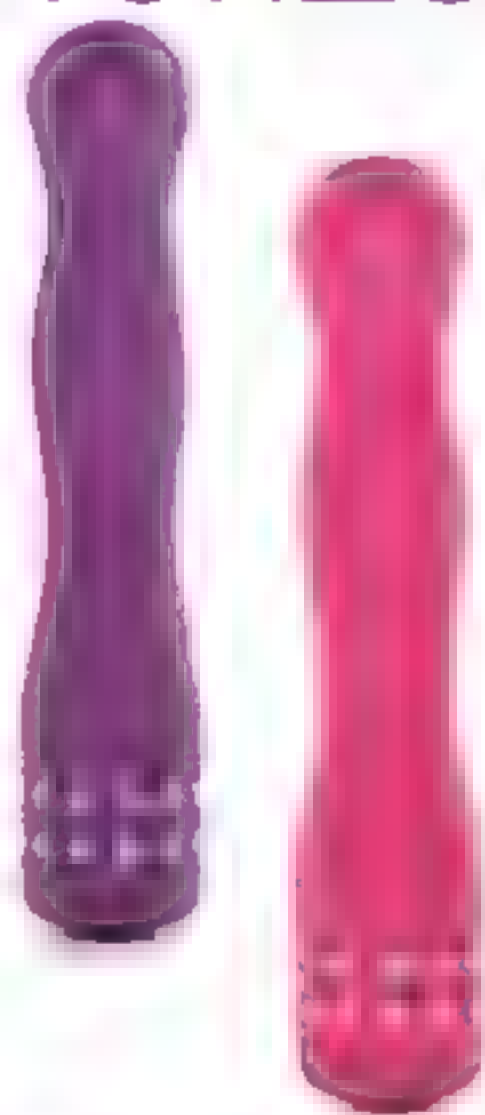

—Lloyd, Minneapolis

she was doing. We talked at length on the phone and another week later we were going out.

After a couple short but heated sex romps, he was ready to spend the night. I agreed and it was wonderful. He was wonderful, a slow, considerate, attentive lover. I felt comfortable enough to tell him I wanted to try anal sex with him. He confessed he had only done it twice but was ready to do it with me. That first time it felt a bit uncomfortable and a little wrong.

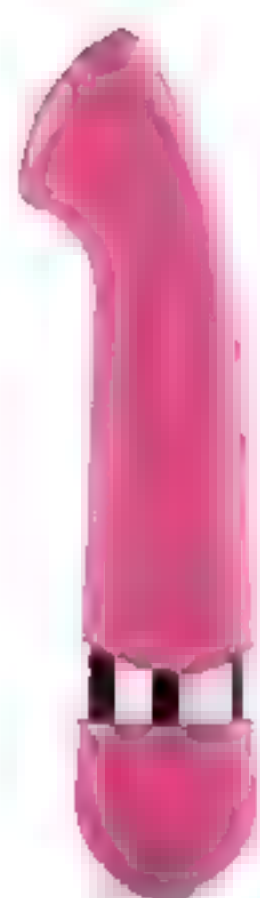

Logan took it slow and for me, when I first felt his tip prodding in there, my reaction was to clench it shut and I had to concentrate a little to open up for him. Lube helped a lot, the more the better, and once he had the first inch or so inside I relaxed a little and clenched around him. I had to keep opening up, even with the lube to let him push in deeper. Until he is actually stroking in and out, it's like being on the border between pleasure

and pain. I could feel the thing throbbing in there and that was really making me even hornier.

The key is feeling every inch of the size, hardness and throbbing of his cock. The heat back there is wonderful because it's so unusual to have heat there. And to that end when a guy cums in there it feels blissful, much different than in my pussy. I think I've made myself too horny writing this letter. I think I need to give Logan another call!

Charmayne, Hawaii

Dear Editor,

My wife of more than twenty years (we're both in our early fifties) have found ways to make our sex life more exciting and interesting. We were getting into sexual slumps throughout our marriage, but always found ways to spice it up.

We've tried too many things to mention in this letter, and not all of them have worked, but surprisingly, many do, and they continue to work. One of them is to try different flavored lubes. Yes, we've played with foods, whipped cream, etc, but the easy

convenience of flavored lubes right there in the night stand makes a quick sex session easy to do. Now there are many

different flavors, and we keep a rotating stock of five or six with vanilla being our favorite. Sometimes it does get a little heavy or musky smelling, but that seems to turn her on even more.

The first thing I'll do is cover my cock in flavored lube for a few reasons. First, it helps me to get hard and stay hard while stroking. Second my wife enjoys stroking my lubed up cock instead of a dry one. Thirdly, she is much more likely to put her mouth on my cock. Sex is just as much about smell as it is other senses.

Late at night, I usually get very horny. The other

night I was sitting on the couch waiting for my wife to sit down and watch TV with me. She was taking a little longer

than expected so my mind began to wander back to the last time she stroked my cock. At the time I hadn't ejaculated in a few days so I was blue balled and ready. I recalled exploding a giant load of cum into my wife's mouth and watching her try desperately to keep it all in her mouth. She was mostly successful and thinking back to that got me hard.

I began to stroke my cock for several minutes playing back the event in my mind over and over. I felt I was coming close to cumming all by myself so I decided to slow down and wait for my wife. I went upstairs and

grabbed my trusty lotion and lubed up my cock. Then I went back down on the couch, pulled down my pants and con-

tinued to stroke. Eventually my wife arrived to see what I was up to.

She reached over and gave my cock a couple strokes while she kissed me. I love her sexy kisses, and I was in heaven. She began removing her top. She then leaned over and put my cock in her mouth, she began sucking on it. She had only been kissing my cock for about ten seconds when she suggested we play some bedroom games. I asked what she had in mind and what she said was quite amazing. She said here is the deal. She wanted me to cum fast but didn't think I could. She didn't think I was

capable of cumming in under a minute. In my mind clearly I was.

She quickly lay down on

the couch. I walked over and was stroking my cock right above her face, to continue the charade that I was giving her a facial, porn-style.

I immediately began to ejaculate all over her boobs. The excitement lead me to a huge orgasm and the cum was everywhere. She leaned over and sucked and licked every last drop of cum off my cock. I did get some on her face and chest, but when I was done she made sure to swallow it all, then we had a tongue lashing kiss.

We packed a lot of fun and excitement into that minute. It's a memory I

won't forget any time soon. That's just one thing we do to keep things hot.

– Michael, Los Angeles

Dear 50+ Editors,

I'm not really looking for advice or anything but wanted to share a situation with you that may help your **50+** readers, especially the married or living-with-someone couples. My wife and I had good, sometimes great, sex over the years, but as time went on, she had more and more problems climaxing with me inside her. We did, and still do, enjoy a good sex life now that the kids have all left the house, but it is mostly oral and manual. When I'm inside her she just can't cum through straight vaginal sex, so we've had to constantly make adjustments.

We're aware that her sex drive is diminished. Her vaginal opening is wider (from kids) and less sensitive; I may not excite her as much; her estrogen levels are down. All that stuff makes sense but doesn't necessarily define or solve the problem. So we've decided to get a bit more creative with our love-making and it has really helped. What we've done is be more inventive in our sexual positions and techniques. The hardest part has been to stick with it and not fall back into routine sex. Now, I admit that what may be inventive to us could be commonplace for you.

We tried many positions (all in one long night and that was great!!!) and found that the ones that gave me access to her clit worked out to be the best for us. And that includes the basic missionary position. Here's why... We found that she achieved orgasm with me inside her with clitoral stimulation. We found that if we did it without involving her clit, she just couldn't cum. So we used positions where her clit was more a part of intercourse. That is instead of just pumping my cock into her, I would

grind my pelvic bone into her clit and she would grind back. Other times I would slip my hand down there and rub her it while fucking. Changing positions also helped.

Then we brought toys into the act and either she or I would use a vibe on her clit and found that it worked also. It also helped when we had oral sex and she'd warn me she was about to cum and then she'd quickly put me inside her pussy and finish her orgasm that way.

So if any of this sounds familiar to you and your sex life, I hope this helps. It's not proven to work for anyone except us. Even if you don't have this problem, stimulating your woman's clit during intercourse, this will really send her over the edge. And the best part of it all – trying all the different sex positions.

– Mark D., Houston

American men are interested in me as a woman, not as a foreigner. For me, it's just a normal part of the morning. We go to a European beach. But for them, it's like a holiday. There is absolutely nothing on earth like having one cock in my pussy and one in my ass, unless there's also one in my mouth. If you're a woman and you're reading this, take my word for this, there is nothing like two cocks down there. It's almost undescrivable how pleasureable and sexual it is. Ladies, if you have a chance, go for two.

golf was just the beginning two holes are better than one

I WANTED TO GET INTO BUSINESS. NOW I'M GETTING THE BUSINESS

I'm a landscape gardener in Savannah and I do a lot of work for the golf courses on Hilton Head. Two summers ago I met a lady from the Orlando area who said she was in the process of developing new courses around Kissimmee. She said she liked how I handled my job and asked if we could partner in landscaping the new courses in Florida. She would get me the work and I could hire local help as long as I oversaw the projects.

Well, Michelle, and I have been successful beyond our expectations. However, now she has tried to start a non-business relationship with me. For many reasons I do not want one. She is an attractive woman, just the kind that would be far too into a serious relationship, and with owning a business together things could get all messed up. I'm in my mid-fifties, single again; in great shape body wise; have been called handsome and blessed with an eight inch cock that women have always loved. Now, I have told her many times, that I don't want a relationship with her, yet she keeps trying.

Michelle has a daughter, Monika, just out of college, who has a very nice body and pretty face. She is tall

with full, firm (I assume, not having touched them) breasts and has a sexy way about her. She always has a date and many guy friends that come around.

I had noticed her body, never thought of her in any other way than my partner's daughter, plus there was such an age difference, so I never even considered that. Now, Monika's moved back to her mom's house because she just broke off a bad relationship. Michelle still works

at home so I'll often drop off some of our business' paperwork for her to do at home.

I stopped by one morning to drop off files from the last week. I always call ahead because it's the polite thing to do. Monika answered the phone and told me it was okay to come over. I came in and she offered a cup of coffee and sat down with me at the kitchen island. Shortly afterwards she asked if she could ask me something without offending me. Of course, I said, and then she asked me if I was dating her mother. I said I was not and had no intention of doing so. She said her mother sometimes leads others to think that she is in a relationship with me. I told her that's been an ongoing problem, but I have

I picked her up and set her on the kitchen table. She asked me to be careful with that big cock and go slow.

told her mother many times that would not happen. We paused the conversation and each took a sip of our drinks. I asked about her boyfriends and she said she was just about over men. She said every guy she sees wants a relationship and she doesn't. I asked her why she would go out with them, if she did not want a relationship. She said she hoped I did not think badly of her, but she really loves sex. I did not know what to say, other than I can understand and who doesn't like it. We each took another awkward sip and momentarily avoided eye contact.

Then she looks directly at me and asks if I sexually active. I thought very hard, feeling she could be fishing for info on her mother. She could see my hesitation and let me know this was only between us! I felt better about that, and let her know I have had sex with a couple women lately but run into the same issues as she has. She laughed and said both of us just wanted fuck buddies. I laughed and said that would be perfect for me. Again the awkward pause and then she said the two of us should be fuck buddies. Like the movie *Friends With Benefits*, she said. You know, no love, no commitment, no relationship, just sex.

I initially laughed at what she said, thinking she was joking, but she looked at me with big doe eyes and I quickly had to regroup. I told her I laughed because it's not that I wouldn't want to fuck her, or that I did not find her attractive. I told her she is very sexy, and if things were different it would be a great idea. Then she said she found me very sexy, handsome and fuckable. I froze and did not know what to say. Fuckable? She stood up, walked over to me and started kissing me. I stopped her and said we shouldn't do this. She was not having that, she

kept kissing me and slid her hand down on my now growing cock.

She stopped kissing me and takes her top off and tells me how much she wants to suck my cock! I looked at her perfect firm breasts with perfect tan areolas. Then she dropped to her knees and had my pants open and cock out in no time. When she saw it, she gasped at my fully hard rod saying it's the biggest cock she has ever touched. She starts slowly working my cock over, talking dirty and telling me how much she loves cock. As she keeps working on it, she told me to strip, and how much she loves being naked. She gets her shorts off and never stops on my cock.

I was trying my hardest not to cum too soon, and pulled my cock away for a bit. She knew why I did that and stood up, and I had my hands all over sexy

body. It was incredible to enjoy her sexy body. I picked her up and set her on the kitchen table. She asked me to be careful with that big cock and go slow. I laughed and told her it wasn't big cock time yet, and I had to taste her sweet little pussy. I lifted her legs up, and started on her shaved pussy. She was enjoying it, and kept talking

dirty and sexy. I stood up with my big hard cock and aimed it at her small pussy, she warned to be gentle and go slow. I eased my big cock slowly into her, being gentle, taking my time working more of it in. Finally I had most of it inside of her. I started working full strokes in and out of her, as her pussy stretched out to take me in.

As she became comfortable, she told me to make that pussy of hers moan; how much she loves a big

cock, and I could do what I wanted with her, and she would do anything I wanted! Then she jumped off my cock and bent down to suck it more and lick my balls. Then she took me by the hand and led me to the living room, and she got on her knees and told me to get that cock back in her. We fucked and sucked for two hours and two orgasms. We crashed back on the couch and from time to time she would suck my cock some more, and telling me how much she loves sucking my cock. Trying to get me hard again was her goal, but I was going to need some rest. We talked some more about being fuck buddies and since that day we see each other about every other day. We have talked about fantasies; hers is to lick pussy, but has not brought it up to her girlfriends. I told her I would love two women at one time, enjoying my cock. She said we should work on those.

That next Friday when she comes over, she tells me she has a girlfriend who wants to get together with us. I could not believe my ears, as she has set it up for Saturday night – tomorrow night. She said she got her friend to join us after she told her I had a big cock, and she wanted to experience one. The next night comes around and they both show up. Monika introduces her friend, Blaise, and immediately says we all should get naked. Her friend was hot and sexy; she was shorter and had a firm, young body with nice large breasts. I notice her friend checking out my cock so I move over and kiss Monika and start rubbing her body as her friend watches us. I pull Blaise into our caress and in no time she grabs my cock and starts to stroke it. They both drop to their knees and start working on my cock.

After several minutes, my knees started to buckle so I suggested that we all move to the bedroom. We

all got in bed and started enjoying each other. I had Blaise on her back licking her pussy, and Monika gets behind my ass and pulls my cock back to suck it, every now and then licking my ass. Monika asked me if I liked her pussy and I said it was great. She then moves up to watch me lick her friend. As I licked Blaise, Monika, moved her mouth in to have a taste. Initially, Blaise was a little shocked, but I moved my cock up to her mouth and she just started sucking on it and relaxed. Eventually we all fucked and sucked till we crashed. The girls spent the night.

In the morning the girls woke up and went to make breakfast. I got up and went downstairs. I heard something in the living room and as I walked in,

I see them eating each other out on the sofa. I walk over and offer my cock to Blaise's mouth and she goes back and forth between my cock and Monika's pussy. Then she takes my hard cock and puts it in my Monika's pussy and I start pounding my cock in her.

I was ready to cum

and her friend pulled me out and drained my cum. Then they went back to licking each other to their own climaxes. They finished up and we all cooked breakfast, and lounged around most of the day.

Monika came back Tuesday and we talked for a couple hours about how about how much fun the other night was, and how much she loves having me as a fuck buddy. She also said she now loves licking pussy and it makes her feel so sexy. She said Blaise and her have had lesbian sex together and they both love it, but still want guys. Especially this one guy with an eight inch cock. I smiled and told her I'm the luckiest guy to have this hot sexy girl to be my friend with great benefits. We vowed to keep this between us and never, ever tell her mother.

I love to fuck outdoors. I'm a sun bunny who does her best work outside. Some say I do my best work with my mouth and two hands. I just cannot fuck a cock with my pussy or ass as well as I can with my hands and mouth.

Mascha

It took years of cock-sucking to perfect my craft. Years of fondling and tickling balls until they exploded with their insides.

No, don't feel me wrong. I love feeling a hard

that, and then I like to finish him off with my hands

I love younger men and my name reflects it. Grrrr. I can eat men up and chew on their boners while I diddle myself. They really like that and I know you would too. I found that having a warm, wet pussy and a willing asshole can really get you places. Like to Nirvana.
